

## SPECIAL REQUEST FORM

**Privacy Act Statement:** The principal purpose of the information in this form is for you to make a special consideration or other authorization request to Coding Dojo Inc. The information will be used to assist employees and staff of Coding Dojo in determining your eligibility and approval or rejection of the special consideration requested. Completion of this form is mandatory, and failing to provide required information may result in a delay in response to or rejection of your request.

Student Name: Dustin Turner  
Address: 3741 Tradewinds Terrace Clarksville, TN37040  
Email: dustin.b.turner@outlook.com  
Phone #: 931-263-4426 Current Stack: Python

### Type of Request

☐ Leave Of Absence   ☒ Retake   ☐ Withdraw   ☐ Restart   ☐ Postpone

**Reason for Request:** Please note: Medical reasons should be accompanied by a note or documentation by a licensed healthcare professional. However, details of students' medical condition are NOT required.

Accepted a new job midway during Web Fundamentals and started new role same day as Python stack. Just need to focus on learning new role before I can commit to 20+ hours to learn Python.

Intended Date of Return (for leave of absence, retakes, and postponements only): August 30, 2021

I understand that if granted a special request, it is my responsibility to coordinate with instructors to submit missed work, if available. I understand that being granted a special request does **not** excuse me from meeting the minimum academic standards to graduate.
